JA Inspire Virtual Student Chat

Students,

We're excited for you to participate in JA Inspire Virtual to ensure you are prepared with career exposure opportunities! You will have the opportunity to meet with leaders in various industry sectors. Our goal is to ensure you are inspired, motivated, and made aware of great opportunities. Your support is requested to ensure we have a thriving and respectful environment for everyone.

Expectations

- *Integrity*: Remember you are representing your school. Chat forums will be monitored for inappropriate language and conversations.
- *Responsible*: Keep questions to presenters related to careers at the company or industry you are visiting. Examples might include: What kind of jobs do you have available for people who like to work outside? What kind of jobs do you have that do not require a college education? What do they pay? What do you like the most about your job?
- *No tolerance*: Inappropriate questions or discussions will not be tolerated. This includes the use of vulgar language, disrespectful commentary, or disruptive questions not related to the company or industry being discussed. All chats are recorded, identifiable and can be sent to your teacher.

Consequences

Anyone who participates in inappropriate behavior will be addressed in this manner:

- Teacher and/or administrators will be alerted
- Student will be eliminated from the leaderboard competition
- Student's chat option will be disabled

We are very excited to host you! Thank you in advance for helping us create positive environments for your fellow students and volunteers.
